Few bands can claim to have made as big an impact on the British pop music history.

In addition to an authentic live tribute to ABBA, Thank You for the Music also features show stealers, Bee Gees Magic. This year the show, which starts at 8pm, has a brand new look as it features a new ABBA line-up, brand-new choreography, sparkling new costumes and a

completely revamped score packing in even more ABBA hits.

# Review of 2013

## January

■ SNOWY scenes were captured across East London with families enjoying the winter weather including three year old Jake Permu-Jones with grandparents Ian and Suzanne.

■ Police stations were facing closure as the chill of £500million of cutbacks began to bite.

The proposals included shutting 24-hour front desk at police stations including Barking, Dagenham, Leyton, Southgate, Walthamstow Town Centre, Woodford and Wanstead.

The changes were unveiled by London mayor Boris Johnson

under the Police and Crime Plan, which he said would get police officers out of back offices and out onto the streets.

■ Local campaigner Wilson Chowdhry was presented with an Anti-knife UK Award in recognition of his efforts to promote cohesion and safety in the community including helping put on events such as the Redbridge Carnival and inter-faith harmony meetings.

Mr Chowdhry, who is chairman of the British Pakistani Christian Association (BPCA), said: "I will cherish this award. It's nice to be recognised by such a prestigious group."

## March

■ PROPERTY developer George Traykov, 43, from Ilford was celebrating after winning the lottery for a second time. He was presented with a cheque for £160,873.80 from the EuroMillions draw just 18 months after winning £1million on the EuroMillions in 2011.

Lotto bosses calculated the chances of winning the lottery twice were one in five trillion.

■ The month was tinged with sadness following the sudden death of a former local mayor.

Chairman of the Barking and

Dagenham Assembly, councillor Nirmal Singh Gill, died shortly after chairing a council meeting. The lifelong and committed Sikh was mayor from 2010-11 and raised almost £30,000 for the Help for Heroes charity in that year.

■ The death of one of East London's finest son's was also announced this month.

British jazz musician Kenny Ball who grew up in Ilford died from pneumonia at the age of 82.

Friends said Kenny never forgot his East End roots despite performing around the world.

**CHEERS! Brewers David Brassfield and Ken Graham toast their ale**

Picture by Mark Cleveland

### May

■ **EDUCATION** was one of the hot topics this month.

Figures from the National Audit Office revealed that London boroughs were facing a shortage of primary school places.

The organisation predicted that at least 80,000 more places were needed across the capital to meet growing demand despite the same amount being created

in the past two years.

The office warned that the worst effected borough would be Barking and Dagenham where the primary school population is expected to rise by almost 50 per cent in the next 10 years.

■ **Bosses at Waltham Forest Council** created a brand new conservation area in Leyton for the first time since 2002.

The conservation area, which was widely supported by the public included Leyton library, the former town hall and

Victorian Coronation Gardens.

■ **Local artist Matt Ryan aka MYCO** organised a series of workshops in Redbridge.

■ **Brewers David Brassfield and Ken Graham from Colorado** raised a glass as their took part in their first ever Walthamstow ale fest -Brustival - with their ale named Brupond.

■ **Artist Tamara Froud unveiled a mural** in memory of The Robin Hood pub in Barking

### July

■ **THERE** was a feeling of protest in the air as the warm weather continued through July.

A campaign against plans to build a new super prison at Beam Reach in Dagenham gathered pace with the number of people signing a petition reaching more than 4,000.

The office of Dagenham MP Jon Cruddas was also flooded with 1,000 letters and phone calls from residents fighting the proposals for the jail, which would hold 2,000 inmates. A campaign to keep a post office in Dagenham Heathway was launched.

■ **In neighbouring Redbridge, a smaller campaign group** including Seven Kings and Newbury Park Residents Association gathered outside Newbury Park train station. The group, which was joined by local councillors and Ilford South MP Mike Gapes and Ilford North MP Lee Scott were protesting over the failure to install lifts at the station. The work was started by Transport for London (TfL) with shafts being dug for the lifts, but they were bricked up again and the project was shelved when cash ran out in 2009.

## Review of 2013

### September

■ PLANS to shut down 600 air quality monitoring sites were unveiled by the Government.

The cutback would save nearly £50million over 10 years, but critics said 75 per cent of highways in Waltham Forest already exceed European pollution limits and removing legal obligations on councils to monitor air quality was a mistake.

Rosemary Warrington, from the Waltham Forest and Redbridge Green Party, said: "At a time when air pollution is one of the largest and most widespread public health problems, it seems insane to remove regulations."

■ The concerns over a lack of primary school places in Barking and Dagenham continued. Deputy leader of the council Rocky Gill warned that schools could be forced to teach pupils in shifts in two years' time unless the Government provided more funding.

He said: "We don't want to do it, but I can't tell parents go out of the borough. My surgeries are full of parents with three

100 YEARS ON: Father Stephen Pugh outside St Margaret's Church, Ilford. Pictured is the church's foundation stone, which was laid nearly 100 years ago

children all in three different primary schools."

■ Parishioners at St Margaret's, in Ilford, were delving into the past to mark the church's centenary.

Its foundation stone was laid in 1914 and Father Stephen Pugh called on residents to dig out old photos and newspaper cuttings for the upcoming 100th birthday.

The church also received a £9,000 grant from the Heritage Lottery Fund.

■ London Youth Games had their highest ever number of participants with a total of 114,598 local youngsters taking part in Europe's largest annual youth sports event.

■ Three members of staff at Manford Primary School in Chigwell delivered a baby in the classroom when teacher Diane Krish-Veeramany went into labour a week early.

## ■ Review of 2013

**CLEAN SWEEP:** From left, Barking Dog pub chef Christian Chamberlain, pub manager Emma Portsmouth and deputy manager Daniel Husk

■ THE people of East London fell silent to pay tribute to the nation's war dead.

They took part in services across Waltham Forest, Redbridge, Barking and Dagenham.

### November

It was particularly poignant for the family of warrant officer Ian Fisher, who was killed in action while serving in Afghan-

istan days before Remembrance Day.

The 42-year-old soldier, who was born in Barking and grew up in Elm Park, from the 3rd Battalion, The Mercian Regiment,

was fatally injured in an attack on his military vehicle. His widow, Emma, said: "Ian will always be the centre of my life."

■ Barking and Dagenham Council announced on Remembrance Day that the main street in the new Goresbrook Village housing development would be named after Chief Petty Officer Reginald Ellingworth killed in Dagenham while defusing a bomb in 1940.

■ Disability campaigner Gabriel Pepper, from Waltham Forest, convinced the Court of Appeal to reject the Government's controversial plans to close down the Independent Living Fund (ILF).

■ Staff at a Barking pub were celebrating after being awarded top marks for their hygiene.

The Barking Dog was given the maximum five stars following an inspection by council officers.

But the nightclub Funky Mojoe, in High Road, South Woodford, was not so happy after its opening hours were cut by magistrates following complaints from residents about antisocial behaviour.

## CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS

Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:

- Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.
- Classified Advertisers offering goods or service of a business, commercial or trade nature will, at the discretion of the Publishers, be deemed 'Trade Advertisers', and as such, must include their names in advertisements. A telephone number is an optional addition to these requirements and not an alternative.
- To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisers must make it clear that they are selling goods in the course of business either by content, format, size or place of the advertisement or by including words such as 'trade', 'dealer', 'agent', 'wholesaler', '(T)' etc. in the advertisement.
- The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:
  - Any error, inaccuracy or omission in the printing or publishing of any advertisement;
  - Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or
  - Any delay in forwarding or omission to forward replies to box numbers to the advertiser.
- The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.
- Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.
- The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.
- Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.
- All gross advertising rates (except classified line and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertisers to help finance the self-regulatory control system administered by the Advertising Standards Authority.
- All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.
- Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly and the publishers shall have the right to cancel the unexpired portion of the order.
- The placing of an advertisement order will be deemed an acceptance of these conditions.
- Account facilities are granted at the discretion of the Company.
- All accounts must be settled within the terms agreed by the Company and the Customer.
  - Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.
  - Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should legal action be required the interest will be charged in accordance with the County Court Act 1984.
- Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.
- All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.
- All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers' control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.
- The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.
- The copyright of advertisements produced wholly or partially by the Publishers belong to the Publishers. Advertisers may not reproduce such advertisements without the Publishers' consent.

**Box Numbers**  
 Boxes are open for the receipt of bona fide answers and are not available for distribution of trade canvassing matter. Original testimonials, goods, cash, stamps or payments of any kind must not be enclosed. A box Number and postal address are charged as part of the advertisement, i.e. Box No., centre address. There is no charge for forwarding replies.  
 Box numbers alone are not available for use in 'Trade' advertisements, other than Employment and Business Opportunities.  
 Holiday & Travel Category  
 All advertising must contain the name of the advertiser, phone number alone are not permitted.  
 Data Protection  
 The service you have requested may require us to carry out a credit search at a credit-referencing agency, which will record the fact that a search has been made. We may need to share your information with other lenders and credit reference agencies. However, we will only use the information from these searches to make credit-granting decisions and, if necessary, for fraud prevention or tracing debtors.  
 Data controller will use your information for administration and analysis. We may share your information with other Tindle Group Newspaper companies or carefully selected third parties. We, or they may send you details of other goods and services, which may be of interest to you. The information may be provided by letter, telephone or other reasonable means of communication. Calls may be recorded or monitored for training purposes.  
 Special conditions apply with regard to the advertising of adult services, which are outlined to all persons submitting such advertisements.

## ORIENT SALVAGE POINT AT WOLVES

### Leyton Orient

#### Wolves 1 Leyton Orient 1 Sky Bet League One

**By Rowland Lyons at Molineux**  
LEYTON ORIENT relinquished top spot, but remain in an automatic promotion spot after Mathieu Baudry's second-half strike gained the O's a vital point, on Sunday.

In the clash of the League One 'titans', before a sell-out crowd, the east Londoners made a nervous start and found themselves goal down after only five minutes when the unmarked Ethan Ebanks-Landell fired home from outside the box, giving Jake Larkins no chance.

Wolves should have been out of sight well before the break, but a combination of poor finishing – most notably on 24 minutes when Jake Cassidy latched on to a Larkins fumble, but shot horribly wide from barely six yards and dogged Orient defending – especially from Nathan Clarke playing a true captain's innings with numerous important blocks – it was a relief that the O's should only go in at the interval a goal down.

With the injured Romain Vincelot replaced by Gary Sawyer, the O's squad already down to the bare bones, boss, Russell Slade changed the formation and gave the livewire, Moses Odubajo licence to thrill.

But, again, Wolves should have

Orient	23	48
Wolves	23	48

Orient boss Russell Slade

put the game beyond doubt, but the rookie Larkins did well to make a double block a minute in the second-half to deny a clean-through Kevin McDonald and clear the loose ball.

Inspired by this re-shaped O's took the game to their hosts and were level shortly before the hour mark when a quick free-kick saw Odubajo's cross find Baudry on the back post and the Frenchman was on hand to side-foot home his first goal of the season and send the 2,500 travelling fans wild with delight.

Orient continued to dominate - with Odubajo continually causing problems down the Wolves' left flank - and could have snatched all three points with Lasimant driving just over and Cox being denied a certain goal by a Richard Stearman block.

As expected, Wolves piled on late pressure and had the luxury of

bringing on internationals in Leon Griffiths and Kevin Doyle.

But, despite surviving late penalty appeals when Bakary Sako went down rather too easily in the Orient box and a late Griffiths' free-kick, the O's kept trying to win the game, leaving a delighted Slade admitting: "I am very proud of the team – we showed great character – we were excellent – absolutely excellent."

"Wolves started very well and could have put the game beyond us. But, the important thing was staying in the game and in the second period we came back into it, and we got the goal and started taking the game to them for ten to fifteen minutes."

Slade joked: "I am not quite sure what Baudry was doing up there! But, it was very pleased that goal was well worked as we saw a little bit space. It was a great ball and he

has continued his run into the box and has taken it really well."

"We weren't intimidated as we attempted to take the game to Wolves. Both teams tried to win a football match – which was very pleasing."

Wanderers' boss, Kenny Jackett, added: "There is some frustration and disappointment in not winning after what was a good performance. But, from my point of view we are in a good position and we have to capitalize on it and try and set the target of playing with tempo and work rate in all of the games. We were playing against a side one place above us, but we have to recognize the things we did well and take that into the future."

Goalscorer, Baudry added: "We showed great spirit and character. But, with all the injuries, it was important to get something from this game. The gaffer told us to stay in the game after we had struggled a bit in the first-half. After our goal for a ten to fifteen minute period we could have got something more out of the game, but to get a point here is excellent."

**WOLVERHAMPTON WANDERERS:** Carl Ikeme – Samuel Ricketts (captain), Richard Stearman, Danny Bath, Ethan Ebanks-Landell – Michael Jacobs, Kevin McDonald, James Henry (Leigh Griffiths 71), Bakary Sako – Jake Cassidy (Kevin Doyle 85), Jack Price (Dave Edwards 46). Subs (not used): Wayne Hennessey (gk), Lee Evans, Scott Golbourne, Eusebio Bancossi.

**LEYTON ORIENT:** Jake Larkins – Moses Odubajo, Mathieu Baudry, Nathan Clarke (captain), Elliot Omozusi – Lloyd James, Marvin Bartley, Romain Vincelot (Gary Sawyer 46), Dean Cox – Robbie Simpson (Yohann Lasimant 71), Kevin Lisbie. Subs (not used): Harry Lee, Johnny Gorman, Alex Finney, Sam Ling, Charlie Grainger (gk).

## Power failure ruins derby

**Non-league round up by Brian Jeeves**  
SUPPORTERS anticipating the a rip-roaring Skriff Conference South derby between Concord Rangers and Chelmsford City were left disappointed when a power failure at the Aspect Arena forced the postponement of the match.

Beach Boys chairman Ant Smith tweeted: "Sorry to all that had travelled but the generator we had been supplied by UK Power has not been able to cope."

The late cancellation was particularly hard on a group of City fans who had walked to the game to raise funds for the Indee Rose Trust.

That left the focus on the region's Ryman League clubs. Spencer Bellotti gave Canvey Island the lead right on the stroke of half time at Lowestoft Town, however, the home side hit back in the second period to win 2-1.

AFC Hornchurch missed a chance to close in on the league summit after going down 3-2 at Bury Town, while East Thurrock United grabbed a useful point sharing four goals at Lewes.

In the Ryman North, goals from Liam Burgess, Dan Williams and Neil Richmond helped Burnham Ramblers to a 2-1 win over Tilbury, this after Danny Francis had fired the Dockers ahead, while Heybridge Swifts took the plaudits by the same score against Ware.

There were 2-1 wins for Brentwood Town, over Barkingside, and Aveley, at Chat ham Town, while AFC Sudbury v Maldon & Tiptree and Harlow Town v Thurrock both finished 1-1.

The day's only Essex Senior League game between Haringey Borough and Great Wakering Rovers was a victim of the weather. Nevertheless, there was a big match in the Essex Olympian League Premier Division where championship chasing Southminster St Leonards beat relegation haunted White Ensign by a single goal from Michael Palmieri.

Ensign manager Aaron Bloxham told *Advertiser Sport*: "We battled hard and matched Southminster, but didn't take our chances."

Bloxham was pleased with his team's performance but added: "That's the difference between the top and bottom of the league".

## Battle of the Raiders

### Ice Hockey

#### by Mark Hayden

WIGHTLINK Raiders won 5-1 in the pre-Christmas grudge match against London Raiders at Lee Valley Ice Centre.

Danny Marshall's London side were Missing JJ McGrath, JJ Pitchley and Dwayne Newman. This didn't stop them from opening the scoring, however. They took the lead courtesy of new import Jakub Klima, a man whose prolific goalscoring and triumphant celebrations are making him a fan favourite at the Valley.

Wightlink enjoyed the lion's share of the attacks in the second period, although none were too much for London netminder Euan King to deal with until the 39th minute, when Craig Tribe put one past him.

Wightlink Player-Coach Jeremy Cornish grabbed another just a minute later,

making the score 2-1 to his side.

Tempers boiled between Cornish and London's Tom Davis, but it amounted to nothing but a roughing penalty for the Wightlink man.

London's Dan Peters failed to snatch an equaliser, missing a clear cut goalscoring chance in the second. From that point on, Wightlink ran the game, creating chance after chance, really testing London's defence. The momentum was with them. Alex Barker scored two for the visitors, and Corey Watkins made it Wightlink 5-1 Raiders, a score that didn't change until the final buzzer.

This result ends London's streak of 4 point weekends, and places them fourth in the NIHL South 1 table, while Wightlink take the top spot, ahead of Chelmsford Chieftains.

## Charity cycle ride for footy fans

FOOTBALL fans are being called upon to join the ultimate World Cup warm-up by saddling up for a memorable bike ride from London to Amsterdam in support of Prostate Cancer UK – The Football League's long-term Official Charity Partner.

England's World Cup campaign has been set and less than a week before the tournament kicks off in Brazil, representatives from all 72 Football League clubs can join former England star Luther Blissett on the road to the Netherlands.

From The Matchroom Stadium (home of Leyton Orient) to the heart of Amsterdam, riders will have plenty of time to reflect on their respective team's campaigns, as well as looking forward to the upcoming feast of football.

The Grand Depart will take place early on Friday, June 6, heading out of London through rural English countryside, and stopping off at Colchester United's Weston Homes Community Stadium, for refreshments.

After completing the 90 mile sojourn to Harwich by dusk, the intrepid team cross the Channel before riding a further 60 miles across the flat landscape of Dutch Zeeland, before arriving in the country's capital.

Former England, Watford and AC Milan Striker, Luther Blissett, who has already signed up for the London to Amsterdam ride as part of Prostate Cancer UK's team, chal-

lenged more people to get involved, saying: "Get your World Cup fever on and ride to Amsterdam with me and a bunch of fantastic people from across The Football League."

"If last year was anything to go by we're going to have a great time on the way and when we get there. Sign up, challenge yourself and raise money to support the 250,000 men living with prostate cancer in the UK."

Director of Fundraising at Prostate Cancer UK, Mark Bishop added: "There's been an excellent response from everyone who is helping make it possible within The Football League for what's sure to be a really exciting and entertaining event."

"Our club captains have been busy building up their teams and it will be fantastic to see so many people saddling up for a serious test of cycling in June."

"From the shadow of the Olympic Stadium to the heart of the Netherlands' principle city, it's the perfect warm-up to the World Cup as we promote and raise money for a hugely important cause."

Fans can find more details and sign up at [prostatecanceruk.org/amsterdam](http://prostatecanceruk.org/amsterdam) to represent their club for the London-Amsterdam cycling challenge.

Prostate Cancer UK asks cyclists to raise a minimum of £1,000. The registration fee is £149 and spaces are unlimited.
